Next Step

The form is a step by step process which is divided into five (5) segments.

A screenshot of the AWS IAM console 'Users' page. The page title is 'Users'. Below the title, there is a message: 'You have 0 users. You can create a new user to manage your AWS resources.' There is a '+ Add user' button. Below this, there is a section titled 'Application Summary and Custom Permissions' with a sub-section 'Application Status' which says 'Applications for IAM are currently ongoing. Click on the "Apply" button below to start your application.' and an 'Application Description' which says 'Leading For Education in Africa Partnership (LEAF)'. At the bottom, there is a 'VIEW' button.

When the beneficiary clicks the **Save Changes** button, a review page is displayed where all the details filled in the step by step process form are displayed.

The final step is for you to click on the **Submit Application Button** for Review or edit any part of the form.

Once you review and submit your application, you will be directed back to the application dashboard which displays the Application Status. The beneficiary can view more details of their application by clicking on the View Application button
